LETTER OF CONFIRMATION

To whom it may concern,

The purpose of this letter is to clarify coverage of previously performed IP tests.

We confirm that ExVeritas has successfully completed IP66 and IP67 testing on the below listed sample, provided by Val Controls A/S:

Ixx24 Ex d Enclosure

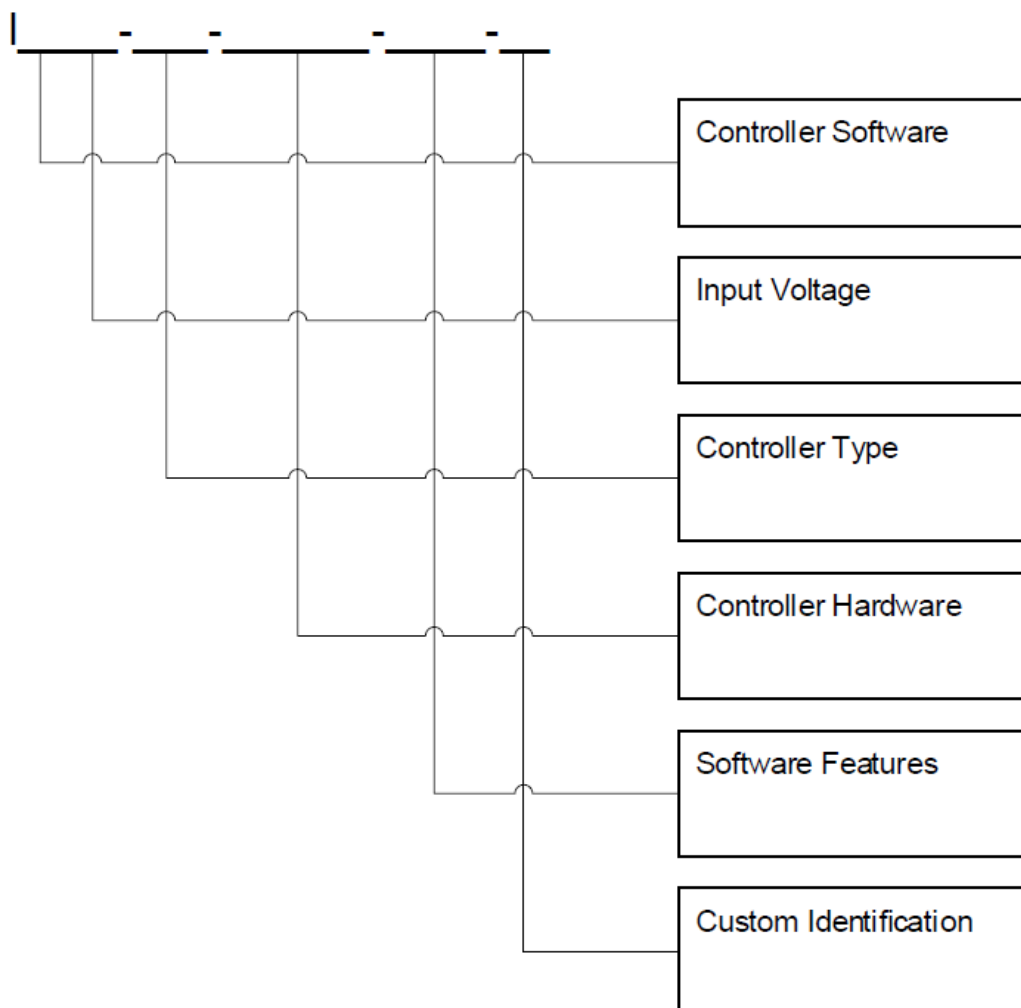

The enclosure is representing the variants, described in page 2 of this letter. Test Results are described in Test Plan number TP0679.

Issued by

Mr. Peter T. Lauritzen
Managing Director
ExVeritas ApS
